

Frozen Food Packaging

Freshness from freezer to table

Frozen food packaging must withstand extremely cold temperatures for months on end. The Pouch House custom prints frozen food bags and stand up pouches that will protect your product in the harsh environs of a freezer — without losing print integrity. Likewise, our zipper closures and tear notches are engineered to perform at any temperature.

Durability

Able to withstand cold temperatures

Practicality

Resealable pouches prevent waste

Versatility

Oversized bags and custom sizes available

Freshness

High-barrier film keeps contents fresh

Frozen Food Packaging at a Glance
